## PORTRAYAL CONSENT AND DEFAMATION WAIVER

I acknowledge that the motion picture “My Buddy from Brooklyn” is a dramatized work of storytelling based on historical events.

I understand that characters, dialogue, and events may be fictionalized or altered for dramatic purposes.

I agree that such portrayals shall not give rise to claims for:

- defamation
- false light
- emotional distress
- invasion of privacy.

I grant the producers the right to portray events and characters as they deem appropriate.
